WATER DISTRICT PATRONS ASKED TO LIMIT USE

The Bethel Water District has this week requested its subscribers to avoid unnecessary use of water.

Due to the severe storm damage to the main transmission lines, the supply of water to the town is drastically reduced. Please limit use of water to a minimum to avoid complete curtailment. It is not the quality of the water but the quantity that is the problem.

COMMENTS FROM THE OFFICE OF THE TOWN MANAGER

There was some damage to the roads as a result of last weekend's storm. By Monday night the Highway Dept. had them passable although much more work had to be done. The crew worked through the week end. They were assisted by a very efficient local Civil Defense unit who contributed their time and resources in a most helpful manner. We would like to thank John Greenleaf and his staff for the many hours they spent providing information and relaying messages for the various departments.

The sewage plant received its first test without being completed. Much more water went through than it was designed for. We find there is more ground water entering the old pipes than we anticipated. This will be curtailed to some degree when we have the lines repaired. Elwyn N. Dickey

GEM AND MINERAL FESTIVAL AT GOULD FIELD HOUSE THIS WEEK END

The twelfth annual Western Maine Gem and Mineral Festival, sponsored by the Oxford County Mineral and Gem Association will be held Friday through Sunday at the Gould Academy Field House in Bethel. Featured at the Oxford County Club's 1973 Exposition will be exceptional specimens of gem tourmaline, selected from material obtained during the well-publicized tourmaline strike on Plumbago Mountain in Newry, which attracted national attention last fall. This special exhibit is being provided through the courtesy of Plumbago Mining Co., owners of the mineral rights at the Newry locality.

Show chairman Sarah Spencer reports arrangements have been completed with Plumbago Corp. to allow the first public field trips into the area which has been closed since the mining company began operations last October. These trips will depart from the show site in Bethel. continued on Page Four

THE MORNING AFTER —

Above is shown the level of water at the Alder River bridge last Sunday morning at about 8 o'clock. Reportedly at one time during the previous night portions of Route 26 at the location were under about a foot of water. The Androscoggin River rose at a swift pace all day Saturday, reaching the level of the highway at about dusk that evening.

At Saturday night and early Sunday morning the continuing rain flooded Main Street from Plumbago Street to the railroad tracks as the result of the culvert carrying the

flow of Sanding Brook was exceeded.

Flooding conditions were reported in all customary locations including Chapman Brook in Northwest Bethel; Pleasant River on the West Bethel Flat Road and Route 2 near the Gilead line.

Many fields under cultivation in the Bethel area were inundated.

During the height of the flooding, despite precautions, legs from the Davis mill yard on Route 26 floated onto the highway. It is believed that there was no appreciable loss of timber because of this.

S. A. D. 44 BOARD NAMES NEW TELSTAR ASST. PRINCIPAL AT MONDAY MEETING

The board of directors of S. A. D. 44 on Monday evening of this week named Howard A. Walen of Belfast as assistant principal at Telstar Regional High School to succeed Dr. H. William Yeo. Dr. Yeo is to assume duties as principal of Greeley High School, Cumberland Center.

For the past three years, Mr. Walen has been principal of Crosby Junior High School (grades 8 and 9) in Belfast. A native of Massachusetts, he holds an A. B. degree from Bates College in 1959, and a M. Ed. in Educational Administration from Northeastern University, Boston, Mass., in 1966. He taught grades 7 and 8, math and music, Wakefield (Mass.) Junior High School for 11 years, before the Belfast post.

Earlier in the meeting, held at Telstar Regional High School, during the citizens' portion, Mrs. Norma Salway of the community group, expressed concern over the possibility of one-half day sessions, during the first semester of the upcoming school year, of first grades at the Bethel Junior School. Supt. David P. Kinney, with the concurrence of Edward Flynn, Bethel elementary school principal, said that a meeting would be held on July 11.

"PUNCH AND JUDY & FRIENDS" TO BE FEATURE OF MOLLYKETT DAY, JULY 21

One of the more exciting events for children of all ages scheduled this year on Mollykett Day will be "Punch and Judy & Friends", a modern revival of an old English show.

Recreated by the talented trio of Will Stackman, Marcia Wanda, and John Weebly, this version is based on dialogue more than 300 years old. All of the original characters have been retained. First Punch, the cruel and boastful lunchmaker; Judy, his nagging wife; their domineering baby Joey; the clown, the devil, the ghost, and, finally, the hangman, come to end Punch's wicked life. This comic puppet masterpiece will appear in Bethel directly from a long engagement at the Orson Welles Theatre in Cambridge. The puppets in themselves are works of art. Fashioned by John Weebly and clothed by Marcia Wanda, each manager to project his character with scarcely a wobble. Originally the trio had hoped to use hand carved wooden figures but, finding none available, Weebly sculptured the entire cast in celluloid. This material has the advantage, especially in a show of this type, of being practically unbreakable. With Punch wielding his club with great alacrity, this is a necessity. There will be several presentations of this children's scene mural opera during the course of the day. Make it a point to include this delightful bit of theatre in your schedule of activities. Times of show-out will be announced.

"STRAWBERRY FESTIVAL PREPARATIONS"

Mrs. Rebecca Commett and Mrs. Sue Landers are viewing the strawberries, which of course are the center of attention of the Strawberry Festival. Mrs. Carolyn Brooks is examining a "Bethel" book while Mrs. Sandra Cullen is looking at a burlesque-covered doorstop. The "Bethel" books and doorstops are only two of the many items, some of which are pictured, that the ladies have been busy working on to have on sale at the Festival Fair on Wednesday, July 11, at 5 p. m. — see article Page Four

GREENWOOD CITY

Mrs. Collista Morgan, Corres.
Another July fourth this week marks the ninety seventh year since a small boy shouted, "Ring! Ring! Grandpa ring! oh, ring for liberty."

In "Fourth of July Celebrations" Betty Stoffel tells us this way. Let there be prayers as well as great parades.

Let hymns combine with patriotic songs. Let there be leaders of the future days.

With heroes of the past amid the throngs. Let reverent silence punctuate the noise.

Let God be praised for this great land of ours. Let sober meditation balance joys and grave humility mark crucial hours.

Let statesmanship grow from this nation's need. Let citizenship be equal to these days.

That godly men who gave their lives indeed. Be not betrayed by dull, indifferent ways.

Let joyfulness, not wildness, mark the free. That God may find us worth our liberty!

Mr. and Mrs. Robert Holt, Windsor, were here on Sunday and attended the funeral of their aunt, Nettie Chase. Others attending from here were Mr. and Mrs. Roland Hayes, Elmer Hayes, Mr. and Mrs. Leonas Holt, Ann and David Holt, Mr. and Mrs. Clyde Morgan, Mr. and Mrs. Milton Inman.

Ruth Hastings was a recent caller at Collista Morgan's.

Ann Holt was in Wiscasset on Saturday and returned home Sunday morning.

Mr. and Mrs. Ardell Hayes, Auburn, were supper guests at the Hayes home on Sunday.

Mr. and Mrs. Tommy Bragg Jr., West Peru, visited her mother, Mrs. Eva Felton on Sunday.

A Tribute
A wave of sadness swept through our homes in Greenwood on Friday morning, June 29, when the news was passed along to us that Nettie Chase had been called to her eternal rest. She had not been well for some time but when able she came here to visit her much loved niece, Fay Holt and family.

Lelia Anjanette Chase was born in Greenwood June 21, 1896, the daughter of Newell and May Cummings Swan.

On September 15, 1920 she married Maynard Chase and for many years lived in West Paris. She was a faithful and conscientious worker and for 34 years had boarders, proof that cooking is an accomplishment. She saw her work not as a chore but as a privilege. Of her other accomplishments we could speak much but more important was her graciousness, cheery smile and unselfish ways.

Truly our lives have been richer and happier because we knew her. She leaves her husband and one daughter, Rena Bacon, the youngest of the family of eight, also many nieces and nephews. To them we extend affectionate sympathy.

These lines of Edwin Markham's could well have been written for Nettie Chase.

They who can let the spirit shine And keep the heart a lighter shrine Their feet will tread with laughter bold The green roads of the Never Old They who can put the self aside With Love and Service daily ride Their eyes will see the gates unfold To the green roads of the Never Old.

P. KOLB - BEAN

Mrs. Richards Kolb

The West Parish Congregational Church, Bethel, was the setting of the June 30 wedding of Miss Sara Bean, Houlton, Maine, and Richards Kolb, Tenafly, N. J.

The bride is the daughter of Dr. and Mrs. Bryant Bean, Houlton, and Bryant Pond, Maine. The groom's parents are Dr. and Mrs. Lawrence Kolb, Tenafly, N. J.

The Reverend Thomas Caton officiated at the 2 p. m. double ring ceremony. The traditional organ music was played by Mrs. Neta Littlefield. Miss Ruth Bean, sister of

the bride sang two solos, "Wedding Song" and "Morning Has Broken". Escorted by her father, the bride wore a self-designed floor length gown of white cotton knit, with her mother's shoulder-length veil and great grandmother's white gloves. She carried a bouquet of white daisies.

The bride's sister, Mrs. Kathleen Richardson, Arlington, Va., was matron of honor. She wore a long empire-waisted cotton print gown, and carried orchid corsages.

The groom chose the bride's brother, Christopher Bean, Des Moines, Iowa, as best man. John Richardson, Arlington, Va., brother-in-law of the bride, was an usher.

The wedding was followed by a reception at the Sudbury Inn, Bethel.

After a trip through New England, the couple will reside in Ohio, where Mr. Kolb will begin graduate study in the field of geology at Kent State University.

Mrs. Kolb was graduated from Houlton High School in the class of 1971 and attended Ricker College. Her husband is a graduate of Hebron Academy, and Ricker College, class of 1973, with a major in geology.

WHAT IS A MINI-MALL?
This is a question being asked around Bethel these days. The best answer to that is, "Come in and see!"

The building for many years called the Central Bowling Alleys and most recently housing the Children's Dance Theater has been purchased by Mr. and Mrs. Charles Farrar.

"Charlie's Place" operated by Charles Farrar will be a take-out restaurant featuring pizzas, Italian sandwiches, and ice cream cones.

The Mini-Mall is behind this establishment and consists of three newly decorated and ready for rental. Beyond this is a double garage which could develop into a flea market and area for "throwing pots" by local craftsmen.

At present the Mini Mall houses Henri's Boutique owned by Henrietta Judd and a collection of art work by local artist Susan Wright is on display in the corridor. It is hoped that people with special talents and a desire to go into business, either for the season or year round will investigate the possibilities.

There is a Rent-A-Bike service in operation with brand new Rawleigh bikes. Also future plans for two large store fronts to be made available.

The Children's Dance Theater will continue to operate with better than ever facilities since there is now room for a workshop to build theater sets and space to hold new and old costumes for the "Teen Ballet" Company which made its debut last season performing the "Carnival of the Animals" in various school systems in the area as an educational program. Plans are being made to do the "Nutcracker Suite" during the Christmas season this year.

LOCKE MILLS LEGION EDGES RICHMOND 27 IN LAST INNING

Randy Olson came out of a five-game hitting slump with a trio of hits for Locke Mills American Legion juniors Wednesday, the third one being a single up the middle to bring in the winning run in the last of the ninth for an 8-7 Locke Mills victory over Richmond in the Zone League. Olson, who singled and doubled earlier, spanked the tie-breaking hit with one out in the final inning after the visitors struck from three runs behind for a 7-7 deadlock in the top of the ninth.

Locke Mills had led as much as 5-0 in the earlier rounds and still had 73 going into the eighth when starter Bill Murphy began to weaken as his holding slipped. Dan Jark was the furthest of record at the finish.

Wayne Cummings came up with three singles in the Locke Mills offense, which netted nine runs in all. The visitors made ten, four of them coming from their short stop, who, in the number three spot in the batting order.

For the season, Locke Mills has come 33 and in the Zone the Oxford County club is 32 with no managerial at Waterbury coming up Friday. The Wednesday box:

FOREST SERVICE TO ENFORCE RULES AND REGULATIONS

Visitors to the White Mountain National Forest are bringing the problems of the big cities with them. Littering, drunkenness, speeding, destruction of property, fire and trespassing are just a few of the acts that a small but annoying percentage of the vacationing public bring to the "solitudes" of the National Forest.

Paul Weingart, Forest Supervisor for the White Mountain National Forest, stated the attitude of the Forest Service towards rules and regulations. "We do not plan to let a few unruly and unappreciative people ruin the beauty and quiet of the National Forest for the many who come here to really enjoy the outdoor experience. We will enforce the rules and regulations fairly but with a firm hand. Cooperative law enforcement efforts with the State of New Hampshire, N. H. State Police, State Conservation Officers and local Sheriffs will insure safe and enjoyable visits for everyone and protection of these beautiful mountains."

DEPT. OF LABOR STATISTICS SHOW C. P. I. UP 0.6% IN MAY

The Consumer Price Index rose .6% in May, according to the U. S. Department of Labor's Bureau of Labor Statistics.

Higher prices for food, apparel, used cars, gasoline, and household services accounted for about three-fourths of the rise in the CPI. The May index was 131.5 (1967=100), 5.5% above a year ago.

After seasonal adjustment, the May increase was also 0.6%. In the six months ending in May, the CPI rose at a seasonally adjusted annual rate of 7.2%. In the last three months of this period, the index rose at an 8.7% annual rate.

The May food index, which includes prices of food purchased in grocery stores and in restaurants, showed a monthly increase of 1.1% on a seasonally adjusted basis, following increases of 1.4% in April and 2.4% in March.

The nonfood commodities index increased 0.4% in May after seasonal adjustment, the same as in April and less than the 0.5% increase in March. The services index rose 0.4% in May, compared with 0.3% in each of the two preceding months.

The index for food purchased in grocery stores rose 0.9%, instead of declining as it usually does in May. With the exception of meats and eggs, most food items showed price increases in May. Prices rose sharply for cereal and bakery products, most dairy products, fish and coffee.

Prices were also higher for fresh vegetables—particularly potatoes, onions, cabbage, and celery. Egg prices decreased, but by much less than they usually do in May. Meat prices also decreased slightly following large increases in each of the four preceding months. The decline, however, was smaller than usual for May.

The change in the food at home index is based on a comparison of prices collected in the first week of May with those collected in the first week of April. Ceilings were placed on meat prices in late March. The index for food away from home—restaurant meals and snacks—increased 1.4%, the largest one-month rise since the index was first published in January 1963.

The index for commodities less food rose 0.6%, a larger-than-seasonal increase for May. Higher prices for apparel, used cars and gasoline accounted for most of the rise in the nonfood commodities index. The increase in apparel prices was mostly seasonal. Gasoline prices rose sharply for the second consecutive month.

Prices also rose for fuel oil, home maintenance and repair commodities, furniture, houses, tobacco products and newspapers. New car prices held steady, instead of declining slightly as they usually do in May.

The services index increased 0.4%. Charges for household services rose 0.4% primarily as a result of increase in rent, mortgage interest costs, home maintenance services and housekeeping services.

Among medical care services, fees for physicians and other professional services such as eye examinations and laboratory tests were higher. The increase in charges for hospital services was smaller than in recent months.

Charges for other services such as drycleaning and laundering, personal care and recreational services continued to show large increases.

Approximately 121,000 individual prices were collected directly by the Bureau of Labor Statistics in May for use in the index. Approximately 80% of these quotations represent monthly comparisons. Sixty-nine per cent of these monthly comparisons were unchanged, 11% decreased and 20% increased from April to May.

Compared with April, the proportion of prices increasing in May

ing with parents of in-coming first graders will be scheduled prior to the opening of school in the fall and before a decision is reached with regard to the advisability and/or necessity of the half day sessions. Expressed rationale has been that beginning first graders would derive greater benefit from one-half day sessions in small groups, rather than a full day in a larger class, especially during the initial 18 weeks of school.

In response to query regarding lack of board/community communication especially with regard to proposed programs, Mr. Kinney stated that he and the board chairman would attempt to publish a meaningful synopsis of upcoming agenda items prior to board meetings.

It was announced that the board negotiation committee would meet with representatives of bus drivers, custodians and cafeteria personnel next Monday evening, July 9, at 7 o'clock.

The board accepted the bid of 3.24% from the Casco Bank and Trust Company to provide the temporary borrowing needs of S. A. D. for the year ending June 30, 1974.

Approved and confirmed by the board was the issuance on July 4 of a temporary note to the Casco Bank and Trust Company in the amount of \$84,675 with interest at \$4.35, due on July 10.

It was the decision of the board to cancel the regular meeting of the board, and transfer the August meetings to the second and fourth Mondays, Aug. 13 and 27. The meeting Monday, Aug. 13, will be held at Andover Elementary School. The date of the first scheduled meeting in September falls on Sept. 10, the initial September session will be on the 10th.

An amendment to the board's laws was approved with regard to special meetings. If, in the opinion of the board chairman, an emergency exists, the requirements agenda and notice may be held by a phone call to the several directors not less than 24 hours before the scheduled emergency session.

At the last regular meeting the board the directors received a proposal for an intramural program in grades 7 and 8. At the May session two other proposals were presented: one concerning an intramural program for grades 7 and 8, and the other concerning an intramural program for grades 7 and 8.

The board approved the following extra-curricular assignments for 1973-74 school year: Gerald Dyer as head basketball coach, Mrs. Anne Bane, Drama Club; Mrs. Myron Wheeler as production director, year book, replacing Mr. Tripp. Daniel Hannon was appointed as assistant ski coach.

A motion to continue the optional smoking area at Telstar, the first semester of the 1973-74 school year was defeated. A vote was taken on the suggestion made that this question should be on the agenda for the Aug. 13 meeting. A motion to achieve that end was approved.

The board granted authority of superintendent to fill any vacancy existing or occurring during the summer months. These are subject to confirmation by the board.

Board members not present Monday evening were: Dan Kinney, Clarence Remington, Harold Edith Jeannine Fleet, Paul F. Newry, Parker Allen, and

was smaller for food and commodities; the proportion of prices increasing for apparel was larger. The proportion of food prices decreasing was the largest of the months.

The May index also included price comparisons to May of previous periods prior to April 1968, which cover the quantity of these increased—slightly more than in the January to April period.

In addition, about 400 units were surveyed in May and 273 of these reported increases in the six month period ending in May.

Mrs. Norman Lester Smith

Miss Donna L. Morgan, daughter of Mr. and Mrs. Stanley B. Morgan, Bryant Pond, became the bride of Norman Lester Smith, son of Mr. and Mrs. Norman L. Smith, North Yarmouth, in a 1 p. m. ceremony, June 23, at the Universalist Church.

The double ring ceremony was performed by Rev. Carl Kingsbury. Spring flowers decorated the church where traditional organ music was played by Miss Susan Hathaway, Bryant Pond. Several selections were sung by Earl Libby, Portland, Vermont.

The bride given in marriage by her father, was attired in a white, floor-length nylon gown with tulle underlay. A vintage lace bodice highlighted the empire waist gown. A matching cap held a floor-length sweep train trimmed with velvet lace. The bride carried a bouquet of white daisies and yellow tea roses.

Mrs. Gary Grace, Gace, friend of the bride, attended as matron of honor. She wore a long pale green gown adorned with daisy chains. She carried a basket of white and yellow daisies with a light yellow lace ribbon. A chain of white daisies was worn in the hair.

Bridesmaids were Mrs. Ralph N. Robarge, Westbrook, and Miss Ann J. Holt, Greenwood. Miss Heather Brockert served as flower girl. The bridesmaids and flower girl were attired in gowns identical to the matron of honor's and also wore a chain of white daisies in their hair. Each carried a basket of white and yellow daisies with a light green lace ribbon. A chain of white daisies was worn in the hair.

Nelson L. Smith, China, twin brother of the bridegroom, served as best man. Others were William Verrell, North Yarmouth, and John Dannehl, Bangor.

A reception followed the ceremony at the American Legion Hall, Locke Mills. The guest book was circulated by Mrs. Patricia Meserve, cousin of the bridegroom. The gift table was attended by the Misses Carla J. Morgan and Marlin J. Morgan, cousins of the bride. The wedding cake was made by Mrs. Floyd Stevens, Mechanic Falls, and served by Mrs. Thomas B. Morgan, Bryant Pond, sister-in-law of the bride. Following the reception the couple left for a trip to upstate New York and Canada.
